Other Announcements:

The invasive weed barrier mats are working. They hope to move the mats around the 4th of July. Sandy suggested a small area around inlet be tested with chemicals. (Cazenovia Lake is using chemicals and are finding success)

Mona indicated that the parking signage at the DEC Fishing Access Boat Launch is inadequate. It was suggested that DEC be contacted for upgraded/larger signage.

Barb explained the importance of better signage on our main roads and tributaries. Reminded the members of the importance of reflective names/numbers on their properties. She asked for volunteers to serve on a committee that explore signage options.

Meeting was adjourned at 7:20. The social hour continued.

Respectively Submitted.
