EMERGENCY~ Call 911. Don't forget to post your 911 address in a prominent location on your property and camp. Be sure you are registered ... call the 911 operator from your camp phone to verify the directions to your place. Tell them "This is not an emergency..." then give them your location information. The Association will begin the 911 signage project on East Shore and the Indian Head Trail Roads during the summer of 2015. Volunteers will be needed

SWIMMING~ Swim with a buddy, have a boat with you when swimming long distance. Look before leaping. Do not wash your hair/body/clothing in the lake unless you use environmentally neutral soap.

SUBMERGED ROCKS AND DEBRIS~ Be aware of their locations. Water level changes, storms and ice break-up create new hazards every year. Some hazards may not be marked.

AVOID GAS AND OIL SPILLAGE~ Check your motor for leaks. Fill up the tank away from the water.

CAMP ROADS~ Use slow speed (15 mph is recommended) Please be courteous, ATV riders please use good judgement and avoid roads where you may be considered a nuisance. If you think violations have occurred, identify the violator and call the sheriff or state troopers. Call parents when appropriate. Please remind family and guests to not use the woods to discard bottles, cans and garbage. Be a good neighbor and keep the woods beautiful.

OUR PETS & OWNERS~ The Town of Fowler has a Leash and Nuisance Law. Dogs may not run at large, bark habitually, or chase or intimidate any person. Complaints may be filed with a peace officer, Fowler Town Justice or check online www.Fowlerny.com for information regarding Dog Warden

NEIGHBORHOOD WATCH~ Watch for suspicious activity, trees falling, evidence of broken pipes or anything unusual. Be aware that smoky campfires can drift through neighbor's windows. Be considerate, noise carries over water... so remind your guests or renters of the "quiet time." We share this beautiful space and each of us enjoys different ways to recreate. Have a great season!

SAFE BOATING Check on line for New York State Boating Regulations. Make sure you have successfully completed an approved course in boater education in order to operate a motorboat. <http://www.nysparks.com/recreation/boating/documents/NYSBoatersGuide.pdf>
